

# ZYC Battery Promotion 202503

**Save more when you purchase more ZYC SIMPO5000! More installers are encouraged to have a try on ZYC SIMPO5000!**

**ZYC SIMPO5000 battery is officially compatible with Selectronic, SMA, Victron and Noark and Deye.**

## **TERMS AND CONDITIONS**

### **1. Promotion Period**

This promotion runs from the 1<sup>st</sup> of March 2025 to the 30th of June 2025. Any qualifying purchases must be made within this period to be eligible for the promotion.

### **2. Eligible Product**

ZYC SIMPO 5000 Battery Module - 48V - 5.12kWh, SKU: SIMPO5000, 80 UNITIS Parallel maximum.

ZYC SIMPO Wifi – A Wifi dongal to make your battery system online – check your system remotely and anytime, anywhere. SKU: SIMPO WIFI.

### **3. Promotion**

**Sales 1: \$200 Cash back when Purchasing 3 SIMPO5000**

**Sales 2: \$500 Cash back when Purchasing 6 SIMPO5000**

**ZYC New customer: Get a free Wifi dongal for your first ZYC purchase.**

### **4. Ordering requirement**

Purchases of the batteries required to be made in the same order during the eligible period. Cash back value will be determined by your purchase battery volume combined by 3 or 6. E.g. if purchasing 12 batteries, you will receive  $\$500+\$500 = \$1,000$ , if purchasing 10 batteries, you will receive  $\$200+\$500 = \$700$

#### **5. Delivery:**

Given the Wifi dongle is ONLY for ZYC New customer, it will be bundled with the Purchase order and you will receive it with the battery together.
