

## **“Bundle & Boost” Promotion – Terms & Conditions**

### **1. Eligibility**

- Offer is available to Solar Retailers only. These terms and conditions apply specifically to installers purchasing stock from AC Solar Warehouse.
- Applicable to full pallet orders of the Tindo Walara series when purchased together with any battery bundle.
- Orders must be placed during the promotion period defined below.
- Limited to the first 50 orders only (nationally).

### **2. Discount Details**

- Eligible orders will receive a \$500 (including GST) discount per order.
- The \$500 discount will be credited after the promotional period ends and can be used for future purchases through AC Solar Warehouse.
- Orders can be placed online, via email, or by phone.

#### **How to use the promotional code:**

- Customers will receive a promotional code after the promotional period, which can be used to purchase any stock.
- The order using the code must have a minimum value of \$500.
- Each promotional code can be used only once.
- One promotional code per eligible company.

### **3. Promotion Period**

- Promotion runs from 24 November 2025 to 24 December 2025.
- Tindo Solar reserves the right to extend or amend the promotion at its discretion.

### **4. Order Requirements**

- Only full pallet quantities of Tindo Walara series panels qualify (no mixed pallets or partial pallets).
- Battery bundle must be purchased in the same transaction to qualify.
- Standard order payment terms and account conditions continue to apply.

### **5. Exclusions**

- Not valid with any other discounts, rebates, special pricing, or promotional offers.
- Does not apply to previously placed orders or backorders.

- Not transferable, refundable, or redeemable for cash.

## **6. General Conditions**

- Tindo Solar reserves the right to verify eligibility and reject claims that do not meet the promo criteria.
- Tindo Solar may modify, suspend, or cancel the promotion at any time if required by operational or commercial considerations.
- Retailers are responsible for ensuring that all order details are accurate at the time of submission.
