

Labelling compliance guarantee

Terms & Conditions - AC Solar Warehouse

AC Solar Warehouse brand-specific label kits are guaranteed to comply with the following standards and utility requirements when installed in full as per the instructions we provide.

AS/NZS 4777.1:2024

AS/NZS 5033:2021

AS/NZS 5139:2019

AS/NZS 1319:1994

All Australian utility/DNSP requirements

If an installation is defected due to incorrect labelling simply send us photos of the installation with all labelling installed along with written confirmation of the defect. We will review the defect and either provide a written statement in response addressing the concerns raised, or if appropriate we will immediately provide the required additional labels to you free of charge.

Compliance guaranteed – We've got your back with inspectors
