

FranklinWH Promotion for the First & Second Commissioned Jobs

Promotion Terms and Conditions

Valid Period: Starts on 25 May, 2026 and ends on 31 December, 2026.

Promotion:

FranklinWH will provide certified installers with a \$700 (excl. GST) rebate for the first commissioned aPower, and an additional \$500 (excl. GST) rebate for the second job site of commissioned aPower. This offers a total rebate of up to \$1,200(excl. GST) for the first and second installations completed during the promotion period.

Requirements:

1. For new installer, please register at [Installer Certification](#) to become a FranklinWH certified installer by completing online training.
2. Purchase FranklinWH aGate and aPower from an FranklinWH authorized distributor.
3. Fully get aPower installed and commissioned between 25 May, 2026 and 31 December, 2026.
4. Please send the invoice, or email the following information to franklinwh-aupo@franklinwh.com to get the credit note:
 - Installer company name (matching the name registered in the FranklinWH FleetView portal)
 - Installer contact email
 - Distributor company name (including branch, if applicable)
 - Distributor contact email

Valid Territory: Throughout the Australia and New Zealand. Other countries are uninvolved.

Rebate Method: Credit note issued through the distributor, following verification by FranklinWH.

Verification and Process:

1. FranklinWH will verify eligibility via the FranklinWH system by counting commissioned aPower units and job sites during the promotion period. POS data from involved distributors will also be reviewed.
2. Once FranklinWH confirms that the installer qualifies for the promotion, FranklinWH will issue a credit note to the authorized FranklinWH distributor who purchased the equipment directly from FranklinWH.
3. The distributor will then process the rebate to the eligible installer.
